B. Religious Balance

As an integrated school we strive to maintain religious balance within our school community. As a result, applications for places in Year 1 are divided into three categories: Roman Catholic, Protestant and Other. We understand that many families would prefer not to have a label attached to their background and would like to be perceived as "mixed" or "other". At present the Department of Education does not recognise "mixed" as an option. As a result, it is **VERY IMPORTANT** you state your child's religious/community background. You will have been asked to provide this information on the online application form.
